Description: The Slim Fit indoor air conditioner has extensive features and options. The units have an attractive design that also help optimize the air flow. The units are delivered with a smart controller. The standard unit has three mounting options: Surface, partial recess and fully recess mount, that are easy to change. The air conditioners are available for a cooling range from 300 W to 4000 W . All units are equipped with active condensate management with a heater strip. The factory thermostat setting is $35^{\circ} \mathrm{C}$.

Type of connection: Terminal block.
Material: Galvanized steel powder coated. Aesthetic
designed plastic cover to optimize air flow.
Temperature limits inside: $+20^{\circ} \mathrm{C} \ldots+55^{\circ} \mathrm{C}$
Temperature limits outside: $+10^{\circ} \mathrm{C} \ldots+55^{\circ} \mathrm{C}$
Protection: IP54|TYPE 12
Finish: Powder Coat Semi-textured RAL 7035 Light Grey Standard.
